Sir,

I have the honor to forward herewith letter dated 22-7-1933 from the President, Gurukula Seva Sangha, Kengeri, praying for a monthly grant for the support of the institution which is giving free boarding, clothing and education to orphans and children of poor parents.

2. From the report of the Sangha for the years 1930-32 (copy enclosed) it is seen that the institution is maintained from public subscriptions and donations and is not receiving any grant from the Government Department.

3. I inspected the institution on 26th February 1934 and I am of opinion that the institution deserves help from Government in view of the useful work that is being done therein to educate poor boys, mostly orphans, to lead a simple life and to cultivate ideals of social service. I recommend that a grant-in-aid of Rs.25/- per mensem may be sanctioned for one year from 1st March 1934, the charge being met from the closing balance of the Chattram Savings Fund during the rest of the current year. Provision will be made in the next year's budget estimates.

I have the honor to be,

Sir,

Your most obedient servant,

for Muzrai Commissioner.

Dear Sir,

On behalf of the Gurukula Seva Sangha, Kengeri, I beg to submit the following application to you for a monthly grant to the Gurukula Ashram from the Muzrai Department of His Highness's Government. From the report of the Sangha, which is herewith enclosed, you will see that the Ashram is an institution giving free boarding, clothing and education on well regulated lines to boys drawn from all castes - Adikarnatakas, Devangas, Vokkaligars and Mahrattas, etc. There are now 21 students, all of them destitute children of poor parents, and more than half are orphans.

The life and education of the boys are being looked after by a band of selfless teachers who also live with the boys in the Ashram, sharing in all the activities - sweeping, cooking, prayer, study, manual labour, gardening and games. In the free and uncontaminated atmosphere of the open garden lands in which the Ashram is situated, the boys are growing up in physical vigour and mental and moral alertness.

To maintain and board these 21 students and 3 teachers (who also conduct part-time early morning schools, one for the Adikarnatakas and another for the Vokkaligars in the nearby villages) the Gurukula Seva Sangha is spending Rs.120/- every month and all this sum has to be collected by monthly donations from our patrons and sympathizers.

One of the main objects of the institution is to find out and give protection and education to poor orphans.

I request you therefore to recommend to the Government for a monthly grant towards the orphanage maintained by the Gurukula. The Sangha admits only orphans and children of parents who are unable to support them and that not less than half the number shall always be orphans, and therefore appeals to Government for a monthly grant from the Muzrai Department Chatram Savings Fund.

I remain,
Yours sincerely,

President.
